

**CHESTERTON ACADEMY
OF ST. MARY'S**

Family Volunteer Commitment

The mission of Chesterton Academy of St. Mary's greatly depends upon the collaboration and participation of family in the health of the school. We believe that each family has God-given time and talent to contribute. As we grow, the opportunities to share your time and talent will increase. We thus ask for and depend upon your creative ideas and leadership to ensure our success.

Both families and students grow in virtue and get the most out of the Chesterton opportunity when they give generously of their time and talent.

To attain this goal, each family is asked to:

1. participate in 20 hours of volunteer service.

Note: Any hours not met would be charged at a rate of \$20/hour to be paid in check or gift card to Amazon, BJ's, Visa, or MasterCard only toward the operating costs of the Academy

or

2. Donate \$400 in check or gift card(s) from Amazon, BJ's, Visa, or MasterCard only toward the operating costs of the Academy

Failure to achieve the minimum family volunteer commitment will result in withholding of student official transcripts until the requirement is met.

TO BE ADDED TO THE STUDENT - PARENT HANDBOOK
